

Welcome to Vienna

The unique concept of this Advanced Musculoskeletal Ultrasound Course is the combination of ultrasound and clinical findings, including joint sessions for hand, elbow, ankle/foot, knee, and shoulder with a focus on structured explanation of ultrasound pathologies in the context of clinical appearance, examination and therapy.

Internationally renowned experts in Radiology, Physical Medicine, Rheumatology and Orthopedics & Trauma Surgery, will teach the clinical aspects, indications for ultrasound, the specific pathologies and typical imaging patterns according to the ESSR guidelines for ultrasound examination. Additional highlights of this course are the arthroscopic-pathologic correlation of a cadaver shoulder with MRI and ultrasound findings. The live demonstrations and hands-on sessions on patients will give you confidence to practice advanced ultrasound examinations.

We are looking forward to you joining us at the 9th Interdisciplinary Musculoskeletal Ultrasound Course in Vienna.

Claudia Weidekamm
Course director

Hannes Platzgummer
Course director

Tuesday 18th December

09.00 am

Opening

Daniela Prayer, Franz Kainberger

09.15 am

Ankle/Foot

Karl-Heinz Kristen, Claudia Weidekamm

10.45 am

Hands-on

12.15 pm

Lunch

1.15 pm

Knee

Christian Gäbler, Athena Plagou

2.30 pm

Hands-on

Wednesday, 19th December

09.00 am

Shoulder

Reinhard Schmidt, David Wilson

09.45 am

Cadaver Arthroscopy & Live Demonstration

Manuel Sabeti-Aschraf, Reinhard Schmidt,
David Wilson, Lena Hirtler

11:00 am

Hands-on

12:30 pm

Lunch

1.30 pm

Elbow

Jochen Erhart, Hannes Platzgummer

2:30 pm

Hands-on

7:00 pm

Social Dinner
